THIRD SERIES PERPETUAL BUILDING AND LOAN ASSOCIATION

DIRECTORS MET

Yesterday Afternoon and Ordered a New Series to Begin on December 21, 1915.

A meeting of the directors of the Perpetual Building and Loan association of Anderson was held yesterday afternoon at 6 o'clock in the offices of the directors of the Bank of Anderson. This was a special meeting for the purpose of declaring Series No. 3 matured on collection of the October installment. The directors authorized the treasurer to write checks to the stockholders who hold stock maturing in this series payable on the third Tuesday in November. This will result in the issuing of \$38,400 worth of checks to 100 or more individuals.

It will be recalled that the Perpetual Building and Loan association was organized in 1906, when series No. 1 was started. This series matured in 1912 when \$41,300 was paid out to the stockholders. Series No. 2 in this association were begun in 1907. This series matured in 1913 when \$37,400 was paid to the stockholders. Series No. 3, the one maturing in October, was begun in 1909. No stock was issued in 1908 because of the panic. This makes a grand total of \$117,100 which has been paid to stockholders in the Perpetual Building and Loan association of Anderson since its organization in 1906, not counting the amounts paid to those who had their stock retired.

Many mortgages will be satisfied on the closing of series of No. 3, and quite a number of citizens of Anderson will become into possession of a home fully paid for, which they would not have owned, if it had not been for the association.

In addition to the amounts paid for matured stock, equally as much if not more has been paid to stockholders in the different series, who have for various reasons retired their stock.

The statement of the secretary, Mr. P. E. Clinkcales, before the directors yesterday afternoon was especially satisfying in as much as it showed a subscribed capital of approximately \$530,000, with all of its funds loaned each month in the city of Anderson or vicinity for the purpose of helping its citizens become the owners of homes.

The par value of the shares in this association is \$100, payable in installments of \$1.00 per month per share. This makes it possible for the man of the smallest income to become a stockholder and part owner of real estate mortgages whose value is approved by a loan committee of Anderson's leading business men.

All of the directors of the association hold office and are as follows: R. E. Ligon, president; J. B. Barton, vice president; P. E. Clinkcales, secretary and treasurer; G. Cullen

Sullivan, attorney; Loan committee, Lee G. Holleman, W. H. Harrison and E. R. Horton; finance committee: W. R. Osborne, G. V. Walton, G. C. Sullivan; auditor, G. B. Walton. The books are audited at regular intervals and the secretary and treasurer is under bond.

New Series Ordered.

At the special meeting yesterday afternoon the directors ordered a new series to start, as is the custom of the association, on December 21, 1915. The series start twice a year in June and December. The June series was over subscribed without active solicitation. The secretary stated last night that he had something like 250 shares already subscribed for the series beginning in December.

The funeral will be held some time tomorrow and the interment made at Silver Brook cemetery.

MR. NEEL B. SHARPE

Business Man of Anderson Died Unexpectedly Yesterday.

GEORGE C. AID, ARTIST, VISITS IN GREENVILLE

BROTHER-IN-LAW H. A. ORR OF THIS CITY IN SOUTH

IS A NOTED MAN

And One of Few American Members of Societe des Peintres et Graveurs de Paris.

The following is taken from the Greenville News of yesterday and will be of interest to Anderson people. As is well known Mr. Aid married Miss Mary Orr, sister of Mr. H. A. Orr of this city.

The noted etcher and portrait painter, George C. Aid is now in Greenville, having come here to execute portraits of Mrs. Vivian M. Manning and Mrs. J. W. Jervey. These pictures, together with some of his etchings, have been exhibited to large and admiring groups of friends at the homes of Mrs. L. O. Patterson and Mrs. J. W. Jervey. The portrait of Mrs. Manning is attractive because of its unusual color scheme, depicting an out-of-door effect, with a glimpse of tree and garden, harmonizing with the dainty rendering of the figure and having much of the delicacy of a pastel. That of Mrs. Jervey is a complete contrast, rich and striking in vigor and color, the Gainsborough hat and saffron draperies accentuating her brunette type. In neither instance has the painter allowed his artistic conception to prevent his rendering a faithful likeness.

Another example of Mr. Aid's work, a happy portrayal of childhood, is his portrait of little Julia, the daughter of Mr. H. A. Orr of Anderson.

Mr. Aid is one of the few American members of the Societe des Peintres et Graveurs de Paris. He has received honorable mention at the Salon des Artistes Francaise and he is represented in the National Gallery of the Luxembourg, in Paris, perhaps the highest honor which may be accorded a modern painter. Some of his works have been purchased by the royal galleries of Dresden and Copenhagen, and by the famous Doucet Collection in Paris.

In America he has been awarded medals by the world's fairs at St. Louis, and San Francisco, and is represented in the Congressional Library at Washington and in the museums of fine arts at Detroit and St. Louis.

On account of the European war Mr. Aid contemplates opening a studio for pupils in Greenville this winter, instead of returning to his home in Bolognora, Italy.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

HYPNOTIST AT BIJOU THEATRE

Dalvine Will Be at Bijou Next Week for Several Performances.

Dalvine, a well known hypnotist will be at the Bijou theatre next week for several performances. Just how long he will be here has not been decided, but he brings with him a reputation of being one of the best of his kind in the south, and in the whole country as for that matter.

Dalvine is a wonder in his way. His powers of hypnotism are demonstrated on the stage with subjects chosen from the audience, and the comic capers which he causes them to perform are very ridiculous. His bicycle riding act is very good, and he is expected to prove a large drawing card in this city.

When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given. A CONFESSION

Hope Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously. Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight.

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer. For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year. Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

SHOW LAST NIGHT WAS ADMIRABLY RECEIVED

Standing Room at The Anderson Was at a Premium—Miss Martin Captivated Audience.

SHOW LAST NIGHT... Standing room was at a premium last night at the Anderson theatre for the one performance of that comedy gem from the pen of Mr. J. Hartley Manners, "Peg O' My Heart." The show made a decided hit and the audience was very enthusiastic from the start.

Miss Ren Martin, as the lovable Peg, captivated the audience when she first made her appearance on the stage and held it until the final curtain. She went through the comedy cleverly and her girlishness was fascinating. As the little Irish maid she seemed to be in a role that was made for her and her little witty sayings kept the audience in an uproar of laughter.

Miss Genevieve Reynolds as Mrs. Chichester had a rather hard role but she played well. Miss Mary Marlowe as Ethel, Mrs. Chichester's daughter, did well and portrayed the character as written in the book to perfection. Mr. Pirie Bush, as Alaric the son, was typical English and he was the source of much amusement. Mr. John Winthrop, as Jerry, was good also and his role was a popular one.

Miss Martin deserves especial mention in this play, because of her youth and the winning way in which she plays her role. It was the writer's pleasure to see Miss Martin as Peg last season and she shows improvement. She is backed by a much better cast and the show is a great deal better than last season. Miss Martin is only 18 years old and began playing Peg when she was 10. She is a native of Brooklyn and her sister, Miss Agnes Martin, who played the part of the maid, is traveling with her. Last season Miss Martin was entertained at luncheon in Allen by one of the leading society women in New York who spends the winter there. This was something unusual and only goes to prove that Miss Martin wins admiration wherever she goes.
